

61 In the garden of beautiful memories
Where leaves fall like dew.
There's a rose that blooms forever.
In memory of you.

62 We hold you close within our hearts.
And there you will remain.
To walk with us throughout our lives.
Until we meet again.

63 Every day in some small way,
A beautiful memory comes our way.
A silent thought, a secret tear.
The love we shared keeps you near.

64 Softly within the shadows.
There came a gentle call
With farewells left unspoken.
You quietly left us all.

65 Tired and weary you made no fuss.
You fought so hard to stay with us.
You suffered so much and told so few
You never deserved what you went through.

66 God saw that you were in pain
He did what he thought best
He put his arms around you.
And called you home to rest.

67 I think of you in silence,
I often speak your name.
But what it meant to lose you
No one will ever know.

68 We never fail to think of you.
We never fail to care.
We only wish we could turn around.
And see you standing there.

69 I knew one day I would lose you.
For good things do not last
But not the way it happened.
You died and broke my heart.

70 Our thoughts are always with you.
Your place no one can fill.
In life we loved you dearly.
In death we love you still.

71 No one you loved was by your side.
To hear your last faint sigh.
Or whisper just a loving word.
Before you closed your eyes.
When I last saw your smiling face.
You looked so bright and well.
Little did I ever think.
That was our last farewell.

72 I did not see you close your eyes.
I did not see you die.
I only heard that you were gone.
Without a last goodbye.
With aching heart I whispered low.
God bless you, I miss you so.

73 In tears I saw you suffer.
I watched you fade away.
Mum/Dad my heart was breaking.
But I could not have you stay.
Those who have a mother/father.
Love her/him while you may.
For God decided mine
Was too ill to stay.

74 We speak your name with love and pride.
We smile through tears we try to hide.
Thank you Mum/Dad for the time we shared.
The love you gave, the way you cared.
You left a place no one can fill.
We miss you Mum/Dad and always will.

75 Your pleasures were simple.
Your needs were few.
If we were happy
You were too.

76 Many times we have needed you.
Many times we have cried.
If love could have saved you
You would never have died.
Love and flowers are all we can give.
And you shall have them as long as we live.

77 He/she had a gentle nature
He/she had a heart of gold.
His/her smile was like sunshine
A beauty to behold.
